Wardha**  
On  
**12 Feb 2022**

---

A one day One Day National Level E-Conference on **‘Soft Skill Development of Rural UG Students’** was organized by Department of English of Arts, Commerce & Science College, Arvi, Distt. Wardha, on 12<sup>th</sup> Feb 2022.

In the modern workplace, students need something more than technical skills to be successful in career. Today’s employers seek candidates who can perform their jobs well but who can also fit into the company culture and interact with other employees. In order to do these things successfully, especially rural under graduate students need to develop soft skills. Considering these core views, the department has organized the conference. The conference focuses on ten core aspects of soft skill development.

This conference was organized in three sessions. The first session, Inaugural Function was chaired by Hon. Principal, Dr. H. R. Verulkar. The conference was inaugurated by Hon. Dr. Anej Somraj, Head & Communication Specialist, Christian College Chengannur, Kerala. He has also delivered keynote address. The first technical session was chaired by Dr. Nitin Mathankar, Principal, Late. V. Kolhatkar, Arts College, Rohana, Distt. Wardha. Dr. Shitalbabu Tayade, one of the eminent speakers delivered a talk on “Importance of Soft Skills”. The second technical session was chaired by Hon. Dr. Anil Dodewar, Asst. Prof. Mahila Mahavidyalaya, Nandanvan, Nagpur. This session is devoted to paper reading. In this session seven schoolers read the research paper on the theme of conference. The last session, the valedictory session was chaired by Dr. Vijay Khadse, Asst. Prof. & HoD, Dept. of English, Arts, commerce and science College, Arvi, Distt. Wardha. Dr. Anup Gumble proposed vote of thanks for all the session and Dr. Niraj Kendhe compered the conference successfully. Around one thousand five hundred participants had enrolled for the conference and more than thousand participants viewed the live session of the conference on YouTube and zoom platform.
