

INTRODUCTION

The faculty of commerce was started with the establishment of this college in 1963. Late Prof. J.A Kadam was first appointed teacher and head of the department of commerce. Late Prof. P.M. Wharadpande , Late Prof. M.K. Hore, Prof. M.N. Jadhav , Prof. B.B. Mankar, Prof.V.V. Jagtap held the post successively. Presently, Dr. M.R. Patil works as the head of the department. He has got very talented and well qualified subordinate Dr. S.H.Dhanvijay. Both Dr. M.R. Patil Dr. S.H.Dhanvijay have been working hard to promote and popularize the commerce faculty. Every year numbers of students successfully pass graduation in commerce faculty. Now a days commerce has become cardinal stream for students as commerce offers them a wide arena of career options to pursue after class 12, that would bring them both success as well as financial security easily. Consequently, the stream of commerce has become more popular. Our college is only center in Arvi region to cater to the needs of commerce students.

Facilities

Bridge course

Bridge course is a means to make students prepared to face the intellectual challenges of university education. It is designed for first year students only. It bridges the gap between higher secondary education and the university curriculum. After successful completion of the course it becomes very easy for teachers to identify slow and advanced learners quickly and design the teaching plan accordingly

Certificate Course In Tally ERP 9.0 & Office Automations

The Certificate course in In Tally ERP 9.0 & Office Automations was started by the Department in the session 2016-17. This course has been running successfully since then. So far 132 students have taken the advantage of this course. The only motto of this course is to cater to the need of rural students and make them competent to face global challenges.

Activities

Workshop on Income Tax

Workshop on Income Tax was organized by the department. The department has been taking initiative since last 7 years to organize such event to provide exact guideline to local people from various sectors about income Tax. Dr. R. Sontakke enlightened the audience and satisfied their queries about income tax.

Water Conservation Workshop

With the rapid depletion of the ground water table, water has become a precious commodity. The existing crisis calls for innovative models to conserve and make judicious use of the available water. Taking this into account the commerec faculty organised water conservation workshop. The workshop became fruitful and memorable with the gracious presence of local MLA Mr. Amar Kale.

Workshop on opportunities in Investment Sector

The above mentioned workshop was organized by the department to make aware the students and people about the opportunities in Investment Sector. The chief speaker of this workshop was Mr. Sunil Chitale who pointed out the scope and precautions in investment sector.
