Introduction

The department of Fashion Designing was established 2006. Miss. Y.W. Gulhane has been teaching the subject since then. Every year the department has 60-70 admissions for the subject. The department is only department in Arvi premises offering the Fashion Designing subject.

Departmental Profile

Name- Miss.Y. W. Gulhane

Designation- CHB Lecturer

Qualification- M.A., B.F.D.

Facilities

Laboratory

The department has well equipped laboratory where 25 students can do the practical together. The department has 25 sewing machines and one Pico machine. The cutting tables help students to do the practical comfortably.

Bridge course

The department organizes bridge course for first year students every year. This course helps students to cop up with new university curriculum. With the help of test the teacher can bifurcate the slow and advanced learners easily.

Departmental Library

The department has its own library. It has about 25 books which are lent to the needy students who can not afford the expensive books.

Activities

The exhibition of the dresses made by the girl students was organized by the department. 20 students had participated in the exhibition.

Extension Activities

The dresses made in the practical exams were distributed to the children in *Anganwadi* center.
