Policy Document on the Green Campus/Plastic free campus

A Green Campus is a Cleaner, Safer and Healthier Place to Live and Work

Context :

A Green Campus is a place where environment friendly practices and education combine to promote sustainable and eco-friendly practices in the campus. The college has always had sustainable initiatives at the core of all activities. Apart from college building, the campus can be categorized as playground, lawn, open gym and garden. A huge area is left in its natural form and a variety of species of plants and trees.

Objectives:

- To sensitize the students and staff to minimize the use of polluting products and use environment friendly products and services.
- To instill the importance of cleanliness for healthy life.
- To create awareness about environmental issues by organizing events like rally's awareness campaigns, cleanliness Drives, workshops, presentations, tree plantation drives, essay competitions, bird watching program, excursion, study tour, wildlife exhibition, observance of bird week etc.
- To make students and staff aware about raising voice against destroying nature and promote environment friendly practices among the society.

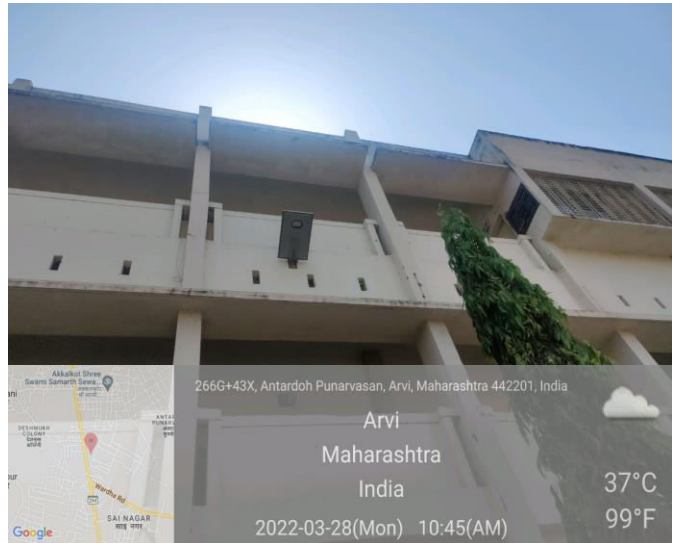

Initiatives Taken to Implement the Clean and Green Campus Policy

The college is committed to managing its campus in accordance with its clean and green campus policy by establishing facilities and carrying out the activity as follows:

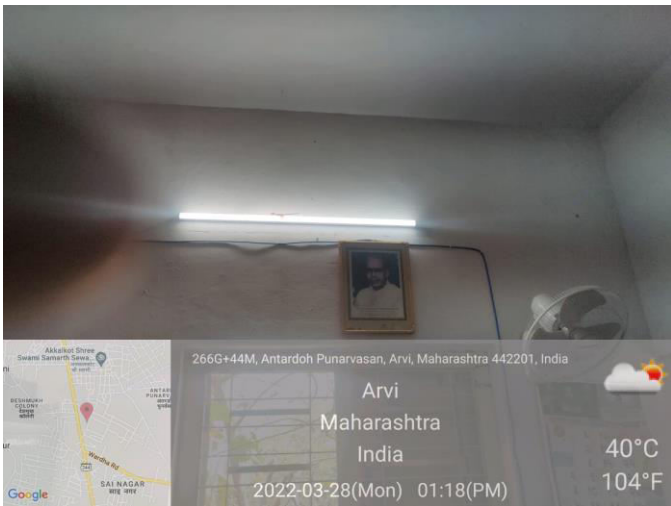

- Landscaping with Trees and plants.
- Ban on single-use plastics.

- Observance of a day in month to restrict the use of petrol or diesel vehicles.
- Installation of solar lights in the college premises.
- Rainwater harvesting awareness programs.
- Paperless office and communication wherever and whenever possible.
- Solid waste management.
- Water waste management.
- e-waste management.
- Observance of days to protect and nurture environment.
- Promotion of 'Save Energy Tips' in and outside the campus.
- Installation of vending machine in girl's common room.
- Cleanliness and tree plantation drive.
- Avoid the use of decorative lighting.
- Keep light, fans, computers printers etc off when they are not in use.

The institute will make all necessary efforts to involve the students, faculty and staff in 'Green campus initiatives' by designating the volunteers from NSS and faculty members.

Solar Panel and solar lamps are installed in the college premises

Use of energy saving LED bulbs

Use of Dust bins for solid waste
