PRINCIPAL  
Arts, Commerce & Science  
College, Arvi, Dist. Wardha.

The college has well developed system for providing IT facilities – 1. There are 4 classrooms equipped with ICT facilities. 2. The hardware and software purchase , maintenance , updating, Internet, Wi-fi, networking is done through the service provider “ Param’s Incorporation, Arvi. 3. College website is monitored and updated from time to time by the IQAC . 4. The administrative section and Library have Wi-fi facility with the speed of 8 MBPS. 5. We have LAN network in administrative section and Language Lab. The language lab has twenty computers which are equipped with ETNL software. 6. The computer department monitors the functioning of IT facility of college. Video recording set up is available in computer department for staff to record their video of teaching so that they could share their study material to students through social media and You Tube. This could help all teachers to continue teaching even in the time of spread of Covid-19. The entire premises of college is under the surveillance of CCTV cameras. The college Library is automated with Integrated Library Management System (ILMS) computerized with Cloud Based LIBMAN Software.

The library has subscription of e-books and e-journals via INFLIBNET. Network Resource Centre in Library enhances the e-learning of students. What App groups are formed to communicate with Parents, students and alumni. Internet facility through BSNL from 3Mbps to 100Mbps with is provided to all departments and office. All the departments are equipped with computers, printer’s scanners, and LAN and Wi-Fi connectivity.
