The college has a central library of 280.Sq.m.with 35604 books. It is integrated knowledge resource center comprising, with 36 thousand books, periodicals, references, national and international journals and CD-ROMs. It is automated using Integrated Library Management System (ILMS) computerized with LIBMAN Software. The library is partially automated. The version of software is 4.1.1. The college Library building is centrally located and well laid out and maintains the right atmosphere for learning. It subscribes 114 journals of national and international repute, along with magazines and newspapers for general reading. The library also provides access to Internet as well as CD/DVD based electronic resources. The library has adequate number of computers to facilitate searching/accessing e-resources, web browsing and for other academic work. Provision has also been made to allow downloading/printing of material from these resources.

RF-LIB-MAN Modules: Library Automation Software

ACQUISITION & CATALOGUING

The cloud-based automation library software helps in the Acquisition & Cataloguing of books in multiple formats. It organizes the books, journals, and other digital resources collection, and enables the users to access them quickly & efficiently.

CIRCULATION

The Library Circulation Module enables the librarian to perform all the activities related to book lending such as book issue & return with few clicks.

OPAC - ONLINE PUBLIC ACCESS CATALOGUE

Online Public Access Catalog or OPAC is a digital database of various books & other reading materials that may belong to globally located libraries. It simplifies the search of users by enabling them to enter fields like - Title, Keywords, Author's Name with remote access for searching any document. Information about documents can be searched using the powerful search engine of LIB-Man Library Automation Software .

SERIAL CONTROL

Serial control streamlines library processes right from book placement to receipt generation & minimizes data entry work to a great extent.

The college library has subscription to e-resources like N-LIST.

The National Library and Information Services Infrastructure for Scholarly Content (N-LIST), launched in 2010 as an NME-ICT funded project have graduated to be a college component of UGC-INFONET Digital Library Consortium. It provided access to more than 6,000+ e-journals and 30,00,000+ e-books to all Govt. /Govt. aided as well as non- aided colleges.
