

Action Taken Report 2019-20

Organizing Conference and Workshops:-

Two Day Interdisciplinary National Conference on 'The Development of Indian Economy Towards Five Trillion Dollar Economy' was Jointly organised by the departments of Commerce and Economics on 14 th and 15 th Dec.2019. The conference was successful in bringing forth the pros and cons of Indian economy and the way it can march towards the target of Five Trillion Dollar Economy. The conference identified some best ways that will help our Economy to jump at its decided target. Workshop on Calligraphy was organized by Marathi department on 13-09-2019 . By the end of this workshop students were able to apply analytical skill and learn different styles of letters. Workshop on ' Nutrition' was organized by Home-Economics department on 12-10-2019. By attending the Workshop on Nutrition, students became aware about obesity epidemic and related health consequences. They learned about diseases and disorder prevention.

Attending workshops and seminars and promoting research culture

IQAC always encourages the faculty members to enrich their knowledge and resources through conferences, seminars and workshops. In this academic year 23 teachers participated in international, 44 in national and 23 in state level conferences and workshops. Four papers in international and 6 in national conferences proceedings are published and presented by the faculties. Four faculties published their papers in national and international conferences. Four faculties published their research papers in UGC recognized journals. One faculty has published a book.

Strengthening Career Guidance and Placement cells :-

Initiatives were taken to strengthen the Career Guidance and Placement cell. Various Certificate Courses were conducted to ensure job skills and employability. Coaching classes were conducted for MPSC and other competitive examinations. Learning aids were provided to the aspiring students. Workshop on Skill Development and Self Employment was organized by Entrepreneurship and Skill Development Cell. Guest lecture was organized by placement cell to acquaint students about Competitive exams and career on 04-10-2019. This lecture delivered by Atul Parshuramkar helped the students to get maximum exposure to competitive exams.

Monitoring of cells/ committees

College has constituted 39 various committees for the efficient management of activities. It also gives the opportunity to the faculty to grow and develop in their extracurricular activity/field and administrative skills. Rigorous monitoring of cells and committees ensured the smooth

functioning of the same. All committees were given instructions to promote quality, accountability and transparency. The Discipline Committee and the Anti Ragging Committee jointly took initiatives to acquaint the students with the pros and cons of ragging. Grievance Redresser Cell encouraged the students to share the issues.

Analyzing the Innovative Programmes

IQAC analyzed the innovative programs of all departments and committees. Discussions were conducted on ICT oriented methods of teaching learning and evaluation. As a result teacher started developing E-material and sharing it with students. Teachers have developed online evaluation method too. Special programmes were planned through mentor scheme for both advanced and slow learners. The Language Lab enabled the students to improve their listening and speaking skills and to enrich the vocabulary . IQAC has guided the departments to undertake field projects. Four Field projects were completed in this session.

Supervising the activities of the Departments

IQAC supervised the activities of all departments. The departments were given necessary guidance regarding developing E-material and online methods of evaluations. IQAC guided the various departments to conduct the field projects. Discussions were held on the inclusion of certificate and value added courses in the curriculum. Various workshops , conferences and guest lectures were organized under the supervision of IQAC.
