Library provides career guidance to the students. Advertise about employment is circulate in the class and displayed on the Notice Board. Library has very rich collection of competitive examination.

3. **Library Books Exhibition Of New Arrival:**

In order to bring awareness among the students about the latest books available in their subject area, library arranges book exhibition in every year of New Arrival of books in the Library.

4. **Library User Orientation Programme**

For newly enrolled library user, library organized User Orientation Programme periodically. The Motto behind this activity is to make them acquainted with the facilities and services provided by the library. It's very useful to optimize the usage of the library and training the students in searching the library database, e-journals, e-mail and Internet/Intranet browsing etc.

5. **Library best user award:**

Library announced **Library Best User Award** to attract more students towards library and make more use of the available resources. Student who make the maximum use of the library is selected for the award. Data is gathered through visitor register maintained in the library and through the circulation of library items. Based on the above data and the observations of the library, one Best User is selected.

## Training to use of **E-Resources**:-
